

Wheel 1: Base

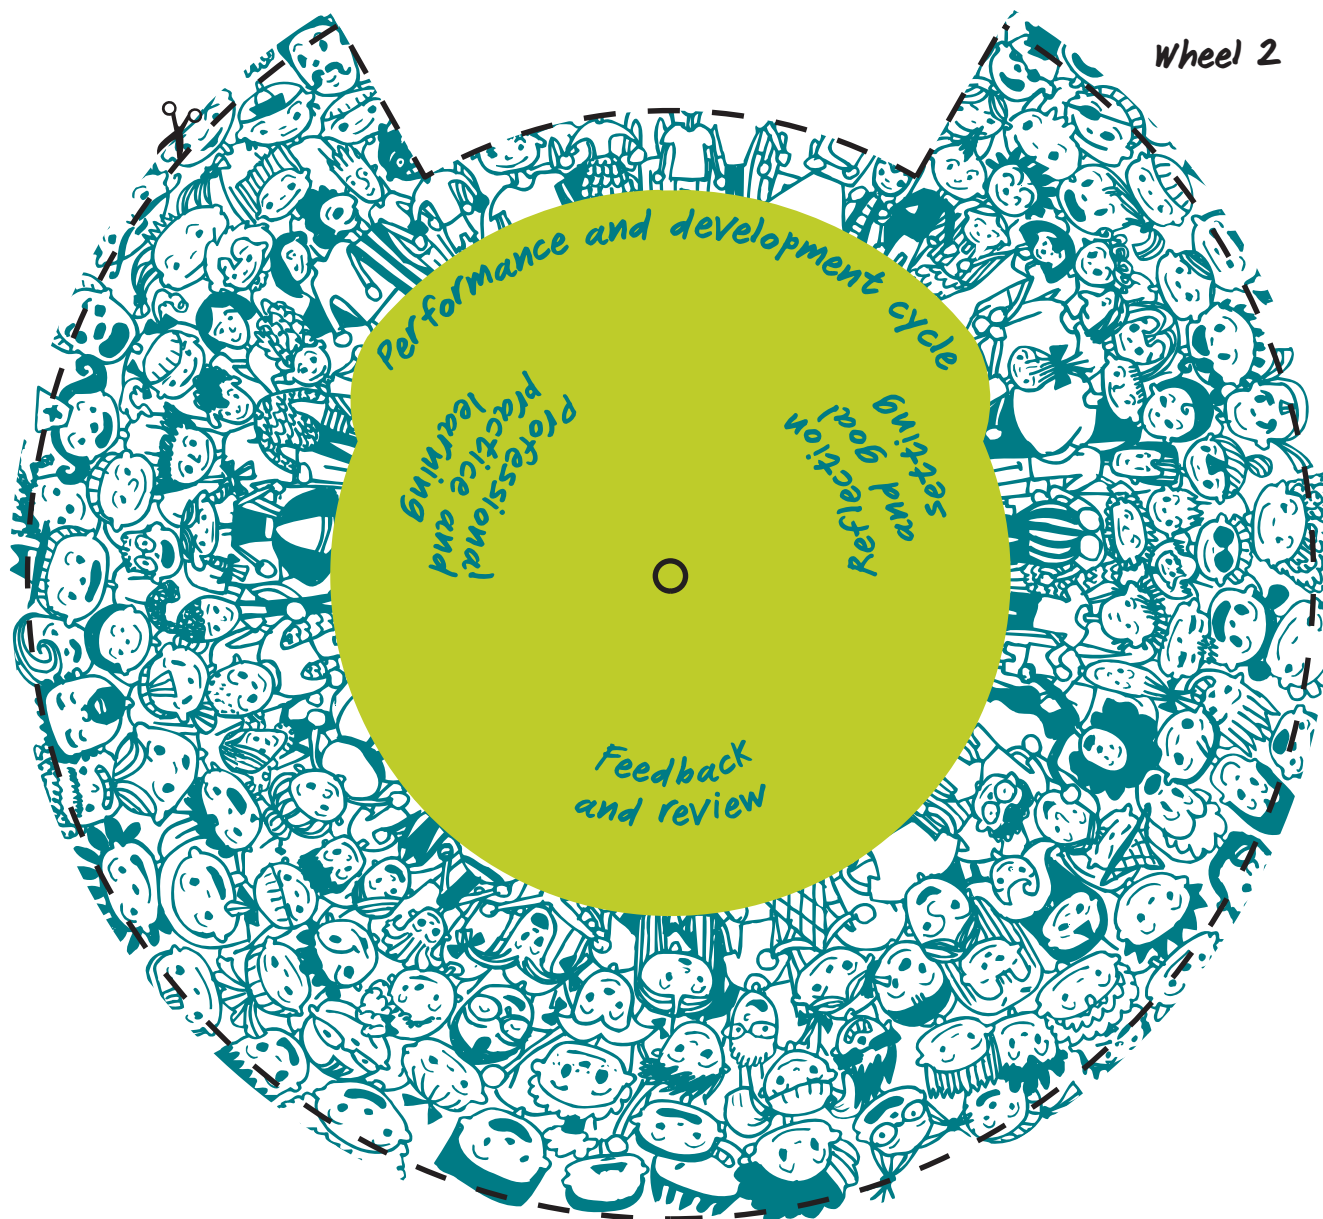

Finished wheel

Construction instructions:

- Print one sided.
- Use card for added strength.
- Cut around dotted lines.
- Use a split push pin through the centre of the wheel  to hold it together.

Wheel 2

Wheel 3

Activity suggestion:

- Step 1. In small groups, rotate the culture window to reveal a characteristic of a performance and development culture.
- Step 2. Spin the top wheel to reveal one of the components of a performance and development cycle.
- Step 3. Discuss how the culture and cycle elements work together, how they are addressed in your school context, and what further work could be done in these areas.
